

Academic Year 11-12	CFGS ASIX1
MP01: Introduction to operating systems	

AGENDA MP01: INTRODUCTION TO OPERATING SYSTEMS

TEACHERS:

TU1: Jordi Binefa/Daniel Collados
José Luís Zimmermann

TU2: Jordi Binefa/Daniel Collados
José Luís Zimmermann

TU3: Jordi Binefa/Daniel Collados
José Luís Zimmermann

TU4: Pau López (2nd academic year)

CONTENTS:

TU1	84 hores	Installing, configuring and exploiting a computer system
TU1.1	42H	Proprietary operating systems (J.L. Zimmermann)
TU1.2	42H	Free operating systems (Jordi Binefa/Daniel Collados)
TU2	84 hores	Managing Information and resources on a network
TU2.1	42H	Proprietary operating systems (J.L. Zimmermann)
TU2.2	42H	Free operating systems (Jordi Binefa/Daniel Collados)
TU3	30h	Installing specific purpose software
TU3.1	15H	Proprietary operating systems (J.L. Zimmermann)
TU3.2	15H	Free operating systems (Jordi Binefa/Daniel Collados)
TU4	33h	Security, performance and resources
---	---	----

Academic Year 11-12	CFGS ASIX1
MP01: Introduction to operating systems	

CONTENTS (Free operating systems)

TU1	42 hores	Installing, configuring and exploiting a computer system
A1	6H	Ubuntu: Operating system overview
A2	15H	Installing operating systems and applications
A3	6H	Theoretical concepts
A4	4H	Managing users and groups
A5	4H	Basic configuration of networks
A6	4H	Management of processes and services
A7	3H	Assessment activities and exams
TU2	42 hores	Managing Information and resources on a network
TU3	15h	Installing specific purpose software

Academic Year 11-12	CFGS ASIX1
MP01: Introduction to operating systems	

SUBJECT ASSESSMENT

$$Q_{MP} = 0,364 Q_{UF1} + 0,364 Q_{UF2} + 0,130 Q + 0,142 Q_{UF4}$$

- This subject will be done in two years.
- To pass this subject should be passed all training units.
- In June there are extraordinary exams for those training units failed.
- *Within the contents of training units will be assessed the following attitudes:*
 - *Punctuality and attendance*
 - *Class participation*
 - *Order and work methodology*
 - *Speaking and writing*
 - Teamwork
 - *Respect the rules*
- The training unit will not be assessed on ordinary exams if the student exceeds 20% of absences.
- Students have two opportunities to pass a training unit.
- It is mandatory to do all practices and exercises to pass a training unit.
- In extraordinary exams in June it should be deliver the mandatory practices made during the academic year.

TIMETABLE

TRAINING UNIT	LENGTH	STARTING DATE	ENDING DATE	TERM		
				1st	2nd	3rd
TU1	84H	22/09/11	22/12/11	X	X	
TU2	84H	12/01/12	19/04/12		X	X
TU3	30H	26/04/12	1/06/12			X
TU4	---	----	----	--	---	---
